**Date:** 1/21/2016    **Status:** Inspection

**Author:** Cooper, Mike

**Updated Oil Volume:**

**Updated Salt Water Volume:**

**Updated Other Volume:**

**Updated Other Contaminant**

**Notes:**

Arrived on site at 2:00 p.m. Temp 18 degrees F, wind 0-5 mph. Walked entire perimeter of site. Did not see any evidence of contamination off site. Could not locate spill due to the snow cover ( 4-5 inches). Further follow-up is necessary to check on contamination off site. Tried contacting Daniel Ryan - no answer, no response.
